

Barter Deals for Events

For events we usually maintain a barter deal. The extent of the services rendered depends on whether representatives of krautinvest.de will be on-site. In some cases, this is not possible. The package may then be adjusted accordingly. The parties conclude a mutual partnership agreement, no money is paid between the parties. If paid services are booked, the terms and conditions for paid krautinvest.de offers apply separately. **The basic deal includes:**

The organizer receives:

- Inclusion in article "Cannabis events of the respective year".
- Inclusion in krautinvest.de event calendar; event logo on media partner page
- 1x event announcement (article on krautinvest.de, distribution via social media channels (Twitter, LinkedIn) and newsletter of the respective publication month, discount code and with reference to media partnership)
- 1x article/interview with selected speakers, distribution via social media channels (Twitter, LinkedIn) and newsletter of the respective publication month

krautinvest.de receives:

- 10% - 20% discount code for our krautinvest.de readers
- 2x tickets for representatives of krautinvest.de
- krautinvest.de logos on media partner page
- krautinvest.de logos on conference materials (online and print, if available)
- Mention as media partner on social media (channels of the event)

Moderation and panels: We are also available as competent moderators for events. Separate conditions apply, e.g. individual agreement on fees and travel expenses. Please do not hesitate to contact us.
